Ambassador Products was established in 1990 in Sydney, Australia. With over 25 years of experience, we are a market leader in the manufacture and supply of durable electric lift & recline chairs.

THE AMBASSADOR DIFFERENCE

Introducing the Ambassador lift & recline chair - the ultimate solution for patient comfort, mobility and safety for the larger load. With unlimited lift, recline and stand positions, our chair contours to almost every position your patients may need. Our advanced technology and solid steel frame ensures durability and seamless movement, while our custom options allow us to design chairs to suit individual needs.

Trust Ambassador for comfort, durability, longevity and peace of mind.

INDUSTRY BEST MOTOR & ELECTRICS

Effortlessly transitions from sitting, reclining, resting with elevation to standing at the simple touch of a button.

- ✓ Medical Grade Electronics supplied by Linak, the leading electric motors manufacturers in the world, and backed by a 3-year warranty.
- ✓ Rechargeable back up battery systems for assurance during a power failure
- ✓ A simple single ergonomic hand held controller
- ✓ Fine-tune seating for optimum comfort and easy adjustment
- ✓ Results in improved posture and comfort
- ✓ Recline, sit up or stand at the simple touch of a simple button
- ✓ Provides simultaneous or independent movement of backrest and footrest (A2 & A3 models)
- ✓ Independent movement of backrest and footrest

LINAK MEDICAL GRADE ELECTRICS

Linak is a leading medical brand used in the healthcare environment. Offering an ergonomic hand control with minimal buttons to reduce confusion and peace of mind. Includes a rechargeable back up battery for increased longevity in case of a power outage or disconnection.

UNIQUE STEEL FRAME

It's the bolted steel frame that gives Ambassador Products their renowned durability and longevity for the larger load and durability.

- ✓ Using steel instead of timber or chipboard guarantees the chair lasts longer without sagging or losing shape
- ✓ The use of bolts improves durability and enables easier repairs
- ✓ Longer life span allows for a longer industry warranty
- ✓ Flexibility for versatility and improved individual comfort
- ✓ Covered by a 5-Year Warranty
- ✓ The chair has two wheels on the back to assist in moving the chair for cleaning purposes
- ✓ The back rest can be removed for delivery purposes
